- This course includes hills, paved and dirt trails through the Nature Park, and a gentle downward slope through a beautiful neighborhood to the finish line in the Nature Park.
- After the Brave Heart Challenge, all trails in the Nature Park will be available for runners and walkers to use as they wish.
- We will time this run, but since this charitable event is to benefit children needing life-saving organ transplants, we will not use a professional timing service, so that all proceeds can go to COTA. To make sure that you get an accurate time, we suggest that you bring your own stopwatch.
